ABOUT US

The National Association of Veterans Upward Bound (NAVUB) is the professional organization for Veterans Upward Bound (VUB) staff personnel.

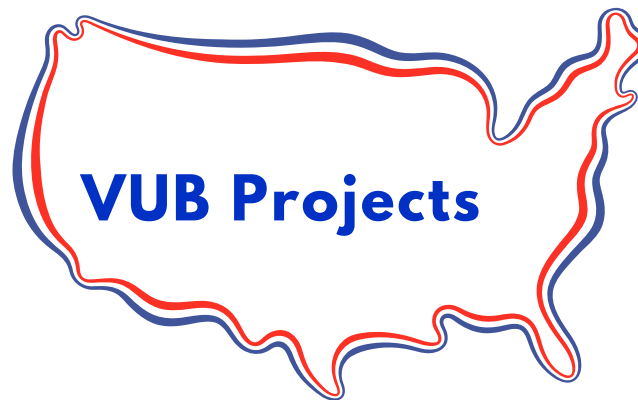

Veterans Upward Bound projects, supported by NAVUB, are dedicated to fully developing the potential of eligible U.S. military veterans and servicemembers.

Veterans Upward Bound projects are funded by the U. S. Department of Education and serve eligible veterans across the nation.

**Eligibility criteria is based on low-income, first-generation status, and academic need.*

Communication and cooperative effort with schools, communities, agencies, and other organizations at the local, state, regional, and national level are among the other primary functions of NAVUB; which also seeks to improve services and educational opportunities for veterans by serving as a forum for the exchange of knowledge and ideas.

NAVUB provides for continuing professional development of VUB staff members and serves as a network of communication for information related to the quality delivery of veterans services.
