

## **National Association of Veterans Upward Bound**

### **2023 Archives Commission Report**

1. General consensus is that the Archives should be online/digitized as much as possible.
- > 2. Paper documents and photos, including articles of incorporation, are housed in the University of Kansas VUB office in Kansas City, KS.
- > 3. Sarah Aultman from Gadsden State said that she had/has staff available to scan all the paper documents. Will NAVUB pay shipping costs? Waiting for permission from the board to ship and to get okay on shipping costs.
- > 4. Current archives commission members are Dr. Steven Mutz (co-chair,) Beatrice Turpin-Peek, and Sarah Aultman. Brandy Corey was on the commission but her spot was vacated when she resigned.
- > 5. It has been suggested that the Archives Commission merge with the Technology Commission. Not sure what this entails via current bylaws.
